And red is 10

No one pov 🫩:

Madeleine and red velvet was playing
Tag
As red velvet was running Madeleine catched up and pinned red velvet at the ground

" Yayyy i got u now (✷‿✷)"
Madeleine said as he tickled red velvet

"Ahahahahha □□□
W-wait time out □□□"
Red velvet said as he seated at the ground

"Too much 🫩☹□"
Madeleine said worriedly

"Pfft no □
It was fine 😊"
Red velvet said hoping to maybe calm down his brother a bit

"Oh ok (≧▽≦)"

Madeleine said as he was in relief

Some time later while the brothers was eating they heard a noice in the woods

"W-what was that😓"
Madeleine said nervously

"Idk I'll check it out "
Red velvet said as he was clearly also nervous

"B-but what if it's a s-scary monster "
Madeleine quickly replied

"Don't worry i can use my cake hand to defend my self 😊"
Red velvet said as he pat Madeleine head

"... Ok if u say so ☹️😓"
Madeline said letting go of red velvet

As red velvet went to the bush
He saw a Cakehound
But not a hostile or big one
It was a small one

As he looked at the Cakehound
He was caught of guard
As the Cakehound suddenly jump to him

"!!!! W-wait "
He was able to catch it in time
As he examine the cake hound he now realized it was a puppy

"... Wait a puppy Cakehound means
The mother is near !!
Even worse what if the pack
Is also near "
Red velvet though

Cakehounds are known to be very protective of there Young
Especially the mother
If they see u with your baby
They will no chance destroy u
Well except if u raised that mother Cakehound
She will not include u as a threat

Red velvet quickly put down the Cakehound
And walked away
As he didn't want to get eaten by a cake hound

As he got out the bush
He was surprised but the sudden smol figure hugging him

"ARE U OK 🧆🧆🧆
ARE U HURT ☹□☹□
WAS IT SCARY Ó□□Ò"
Madeleine said worriedly

Ok y'all i don't have any motivation left Soo bye 💀

Madeleine : pfft
This is a good hiding spot

I said as i claimed up a tree

Madeleine : he will never find me
!! Wow i can see brother from up here

I was busy being mesmerized
By how i can see my brother

That i didn't even notice that i was about to fall

Madeleine : this is so cool !!-

And then the last thing i saw
Was me falling off the tree

No one pov :

As Madeleine slipped
The tree
Which was actually a bad idea

Because it was actually near a cliff
At the hill

So as he fell
In the hill

He had a lot of injury but
He's head was badly hurt

the past 2-3

(Ok so i made that previous
Chapter at 2 in the morning
And obviously the Madeleine part
Was ridiculous as hell
So re-making it)

Madeleine : pfft i need to find a good spot so he won't find me 🤫

(after some time)

Madeleine : I've been walking for some time now and THERE IS STILL NO GOOD SPOT 🧐🧐🧐
how will I win aga-
Oof

No one pov :

" Oh I'm sorry" Madeleine said
After bumping into some cookies

"Well well well what do we have here"
One of the cookies said

(Ok jus to be clear there are
3 cookies there
And I'll name them
Cookie 1
Cookie 2
cookie 3
Ok so no one will get confused)

"!! That cookie is a half cake"
Said cookie 3
"Your right !!! If we can sell him
How much do u think cookies will

Pay for him !!!"
Cookie 2 said in excitement
"Probably more that 10,000 or Maybe if we're lucky we might get ourselves
diamonds along the way"
Cookie 1 said as he looked at Madeleine

"Umm I'm sorry it was nice knowing
U Three but i have to go now 😩😩"
Madeleine said as he was quite shaking

As soon as Madeleine finished
saying what he said he
noticed that the 3 cookies
Surrounded him

"Umm"
Madeleine said clearly in distressed

"Don't worry kid you'll make us
Some good money "
Cookie one said das he grabbed
Madeleine

"W-wait !!! STOP WHAT ARE U DOING"
Madeleine said as
he screamed
"HELP!!!!! BROTHER!!!"

Red velvet pov :

"Ready your not here i come "
I said as i searched for Madeleine
A few minutes has passed
But i still wasn't able to catch him
I was getting quite worried
"Now where is that cute little half cake , is he HERE"
i said looking behind a bush
"Oh"
I said in disappoinment

"Where could that little
Cookie hide "
I said in a bit worry

Until i heard some noises in another bush , i was sure it's Madeleine
But it's was just a cake hound
A baby one
"Oh wrong baby 🕳"
I said while staring at the
Baby cake hound

But as i look at the cake hound
More it reminds me of that baby
Cake hound back then

"Woof"
The cake hound bark repeatedly
"Umm I'm sorry I'll go now "
I said thinking that it wants me to leave , but i noticed it was
Clinging in my legs

"Woof woof "
The cake hound barked at
me more And i notice
that he wants me to
follow him , but then again
I'm was still not sure if
That's really the case
So i pretended to
Follow him
And as i pretended to
Follow him he stopped
Barking
"Hmm ig he really did want me to follow him " i thought
To myself
But where was i even going
Some time came and we were still
Walking , well until
I smelled a familiar scent
It was Madeleine scent !!
And some other cookies scent

"1..2....3!! Three other cookies was here "
I said they must have took Madeleine
"I swear if u find them I'll make sure they pay big time "
I thought while i started following
Madeleine scent

I was in shocked and
Worried but i kept
Followed his scent
"Madeleine pls be alright "
I thought to myself hoping
That it was true
But it wasn't..
When i reached the end of his scent
I was already near the ocean
"no..NO..NO NO NO T-this can't be happening "
I said but then i saw a boat ,
It wasn't clear but i was sure
I saw Madeleine
"... Madeleine no
i n-need to call for help "
I said while running
And that cake hound he was
Still follow me
Honestly I've kinda forgotten
About him but never mind him
"I need to call for help !! "
I thought while i was a crying mess
